Treaty-Tariff Tinkering

And divers other causes are responsible for a lax condition in trade circles for the past few months. We calculated on good times: We have put in an enormous and strong line of FOOTWEAR, knowing our efforts would be appreciated; and here we are in July—not all the goods yet in.

A big pile of cash is not necessary to trade with us, as we carry all kinds and prices. We invite Shoe Critics to make a close examination. They are the biggest find of the year.
